The 2019 Legislature submitted this proposal for a vote. LR-130 generally restricts a county, city, town, consolidated local government, or other local government unit's authority to regulate the carrying of firearms. It removes a local government unit's power to regulate the carrying of permitted concealed weapons or to restrict the carrying of unconcealed firearms except in publicly owned and occupied buildings under the local government unit's jurisdiction. It repeals a local government unit's authority to prevent or suppress the possession of firearms by convicted felons, adjudicated mental incompetents, illegal aliens, and minors. LR-130 generally restricts a county, city, town, consolidated local government, or other local government unit's authority to regulate the carrying of firearms. It removes a local government unit's power to regulate the carrying of permitted concealed weapons or to restrict the carrying of unconcealed firearms except in publicly owned and occupied buildings under the local government unit's jurisdiction. It repeals a local government unit's authority to prevent or suppress the possession of firearms by convicted felons, adjudicated mental incompetents, illegal aliens, and minors. Federal and other state firearm restrictions would remain unchanged, including for these individuals. Local firearm ordinances that conflict with LR-130 could not be enforced.

I-190 legalizes the possession and use of limited amounts of marijuana for adults over the age of 21. I-190 requires the Department of Revenue to license and regulate the cultivation, transportation, and sale of marijuana and marijuana-infused products and to inspect premises where marijuana is cultivated and sold. The 2019 Legislature submitted this constitutional amendment for a vote. C-47 modifies the state constitution to specify proposed petitions for citizen ballot initiatives must be signed by at least five percent of the qualified electors in one-third of the legislative districts. It repeals a different standard found to be unconstitutional in 2005.		AN ACT REVISING FIREARMS LAWS TO SECURE THE RIGHT TO KEEP AND BEAR ARMS AND TO PREVENT A PATCHWORK OF RESTRICTIONS BY LOCAL GOVERNMENTS ACROSS THE STATE AND PROVIDING THAT LOCAL GOVERNMENTS MAY NOT REGULATE THE CARRYING OF CONCEALED WEAPONS; PROVIDING THAT THE PROPOSED ACT BE SUBMITTED TO THE QUALIFIED ELECTORS OF MONTANA; AMENDING SECTIONS 7-1-111 AND 45-8-351, MCA; AND PROVIDING AN EFFECTIVE DATE. The 2019 Legislature submitted this proposal for a vote. LR-130 generally restricts a county, city, town, consolidated local government, or other local government unit's authority to regulate the carrying of firearms. It removes a local government unit's power to regulate the carrying of permitted concealed weapons or to restrict the carrying of unconcealed firearms except in publicly owned and occupied buildings under the local government unit's jurisdiction. It repeals a local government unit's authority to prevent or suppress the possession of firearms by convicted felons, adjudicated mental incompetents, illegal aliens, and minors. Federal and other state firearm restrictions would remain unchanged, including for these individuals. Local firearm ordinances that conflict with LR-130 could not be enforced.

CI-118 amends the Montana Constitution to allow the legislature or the people by initiative to establish the legal age for purchasing, consuming, or possessing marijuana.		I-190 legalizes the possession and use of limited amounts of marijuana for adults over the age of 21. I-190 requires the Department of Revenue to license and regulate the cultivation, transportation, and sale of marijuana and marijuana-infused products and to inspect premises where marijuana is cultivated and sold. It requires licensed laboratories to test marijuana and marijuana-infused products for potency and contaminants. I-190 establishes a 20% tax on non-medical marijuana. 10.5% of the tax revenue goes to the state general fund, with the rest dedicated to accounts for conservation programs, substance abuse treatment, veterans' services, healthcare costs, and localities where marijuana is sold. I-190 allows a person currently serving a sentence for an act permitted by I-190 to apply for resentencing or an expungement of the conviction. I-190 prohibits advertising of marijuana and related products. Marijuana taxes and fees will generate about \$48 million annually by 2025. The 2019 Legislature submitted this constitutional amendment for a vote. C-47 modifies the state constitution to specify proposed petitions for citizen ballot initiatives must be signed by at least five percent of the qualified electors in one-third of the legislative districts. It repeals a different standard found to be unconstitutional in 2005.		AN ACT REVISING FIREARMS LAWS TO SECURE THE RIGHT TO KEEP AND BEAR ARMS AND TO PREVENT A PATCHWORK OF RESTRICTIONS BY LOCAL GOVERNMENTS ACROSS THE STATE AND PROVIDING THAT LOCAL GOVERNMENTS MAY NOT REGULATE THE CARRYING OF CONCEALED WEAPONS; PROVIDING THAT THE PROPOSED ACT BE SUBMITTED TO THE QUALIFIED ELECTORS OF MONTANA; AMENDING SECTIONS 7-1-111 AND 45-8-351, MCA; AND PROVIDING AN EFFECTIVE DATE. The 2019 Legislature submitted this proposal for a vote. LR-130 generally restricts a county, city, town, consolidated local government, or other local government unit's authority to regulate the carrying of firearms. It removes a local government unit's power to regulate the carrying of permitted concealed weapons or to restrict the carrying of unconcealed firearms except in publicly owned and occupied buildings under the local government unit's jurisdiction. It repeals a local government unit's authority to prevent or suppress the possession of firearms by convicted felons, adjudicated mental incompetents, illegal aliens, and minors. Federal and other state firearm restrictions would remain unchanged, including for these individuals. Local firearm ordinances that conflict with LR-130 could not be enforced.

I-190 legalizes the possession and use of limited amounts of marijuana for adults over the age of 21. I-190 requires the Department of Revenue to license and regulate the cultivation, transportation, and sale of marijuana and marijuana-infused products and to inspect premises where marijuana is cultivated and sold. It requires licensed laboratories to test marijuana and marijuana-infused products for potency and contaminants. I-190 establishes a 20% tax on non-medical marijuana. 10.5% of the tax revenue goes to the state general fund, with the rest dedicated to accounts for conservation programs, substance abuse treatment, veterans' services, healthcare costs, and localities where marijuana is sold. I-190 allows a person currently serving a sentence for an act permitted by I-190 to apply for resentencing or an expungement of the conviction. I-190 prohibits advertising of marijuana and related products. Marijuana taxes and fees will generate about \$48 million annually by 2025. AN ACT REVISING FIREARMS LAWS TO SECURE THE RIGHT TO KEEP AND BEAR ARMS AND TO PREVENT A PATCHWORK OF RESTRICTIONS BY LOCAL GOVERNMENTS ACROSS THE STATE AND PROVIDING THAT LOCAL GOVERNMENTS MAY NOT REGULATE THE CARRYING OF CONCEALED WEAPONS; PROVIDING THAT THE PROPOSED ACT BE SUBMITTED TO THE QUALIFIED ELECTORS OF MONTANA; AMENDING SECTIONS 7-1-111 AND 45-8-351, MCA; AND PROVIDING AN EFFECTIVE DATE. The 2019 Legislature submitted this proposal for a vote. LR-130 generally restricts a county, city, town, consolidated local government, or other local government unit's authority to regulate the carrying of firearms. It removes a local government unit's power to regulate the carrying of permitted concealed weapons or to restrict the carrying of unconcealed firearms except in publicly owned and occupied buildings under the local government unit's jurisdiction. It repeals a local government unit's authority to prevent or suppress the possession of firearms by convicted felons, adjudicated mental incompetents, illegal aliens, and minors. Federal and other state firearm restrictions would remain unchanged, including for these individuals. Local firearm ordinances that conflict with LR-130 could not be enforced.

CI-118 amends the Montana Constitution to allow the legislature or the people by initiative to establish the legal age for purchasing, consuming, or possessing marijuana.		I-190 legalizes the possession and use of limited amounts of marijuana for adults over the age of 21. I-190 requires the Department of Revenue to license and regulate the cultivation, transportation, and sale of marijuana and marijuana-infused products and to inspect premises where marijuana is cultivated and sold. It requires licensed laboratories to test marijuana and marijuana-infused products for potency and contaminants. I-190 establishes a 20% tax on non-medical marijuana. 10.5% of the tax revenue goes to the state general fund, with the rest dedicated to accounts for conservation programs, substance abuse treatment, veterans' services, healthcare costs, and localities where marijuana is sold. I-190 allows a person currently serving a sentence for an act permitted by I-190 to apply for resentencing or an expungement of the conviction. I-190 prohibits advertising of marijuana and related products. Marijuana taxes and fees will generate about \$48 million annually by 2025.
